FERC Docket Nos. CP15-93-000, CP15-94-000, and CP15-96-000

Dear Ms. Bose:

On February 10, 2017, after the close of the Commission's business hours, the Littlefield Trust (a frequent commenter in this proceeding) submitted a comment alleging that Rover Pipeline LLC ("Rover") had begun "felling trees and clearing brush within certain areas of the project corridor in Washtenaw County, Michigan." In no uncertain terms, Rover or its contractors have not engaged in any tree felling or clearing of brush. If you have any questions please do not hesitate to contact me.

Respectfully submitted,

Joey Mahmoud
Executive Vice President, Engineering and Construction
